CTA is different from many other free tax preparation services available in NYC. We've been around for 50 tax seasons, and over the years we have prepared over 100,000 tax returns. Since we are an independent tax-exempt organization that is not affiliated with the IRS, we can help you in ways many other free tax preparation services are prohibited from doing. CTA volunteers will prepare ALL your current and prior year tax returns (federal, city and all 50 states). And we are available all year. We NEVER charge a fee for our services or ask for a donation.
