“New York is Our Home!”

On May 23, I joined 7,000 tenants, advocates, and other elected officials who gathered at Stuyvesant Town and Peter Cooper Village for the largest affordable housing rally in years. The rally was organized by the New York is Our Home! Campaign, a new coalition movement spearheaded by Housing Here and Now. Right now, the campaign coalition includes 45 members, composed of affordable housing groups, Tenants’ Associations from all over the City, the Working Families Party, and many elected officials.

Here I am with John Raskin and Sarah Desmond of HCC, and Jenny Sobelman from my staff.

Marriage Equality New York Wedding March

I was proud to join Marriage Equality New York for its annual march across the Brooklyn Bridge to support same-sex marriage. Here I am with Councilmember Rosie Mendez.

At the Wedding March, I introduced Assembly Member Danny O’Donnell. I am proud to have sponsored the original marriage bill in the Assembly, and pleased that he will be carrying the marriage bill submitted by Governor Spitzer the rest of the way.
